

The CHEM SHOW connects companies selling products that mix, heat, cool, dry, filter, move and measure liquids, gases or dry materials with buyers from a broad range of process industries, including chemicals, pharmaceuticals, food, and other products.

*Chemical Engineering* is proud to serve as an official media partner of the CHEM SHOW. Increase exposure to this influential audience by advertising in the Show Daily. Advertising opportunities are open to all exhibitors.

## CHEM SHOW DAILY

### The official digital newspaper at CHEM SHOW 2015

*Chemical Engineering* will produce the only digital show daily newspaper at CHEM SHOW 2015.

With **52,000 electronic copies delivered Tuesday, November 17 and Wednesday, November 18**, the CHEM SHOW Daily will reach all trade show visitors, past attendees and digital subscribers of *Chemical Engineering*. The CHEM SHOW Daily will also be posted on the event website chemshow.com and *Chemical Engineering's* website chemengonline.com. Your message will reach thousands of technical decision makers who are at the event as well as those not able to visit the show.
