

The CHEM SHOW connects companies selling products that mix, heat, cool, dry, filter, move and measure liquids, gases or dry materials with buyers from a broad range of process industries, including chemicals, pharmaceuticals, food, and other products.

*Chemical Engineering* is proud to serve as an official media partner of the CHEM SHOW. Increase exposure to this influential audience by participating in the Video Showcase program offered exclusively by *Chemical Engineering*.

## VIDEO SHOWCASE PROGRAM

**Make the most of your exhibit time by participating in the Video Showcase program to promote your products.**

Package includes professional video recording and editing to promote your company's message. The video will be promoted on the *Chemical Engineering* website, emails, social channels, and also made available to YOU with unlimited usage.

Orders placed before November 2015 also include a dedicated pre-show email announcement to all currently registered attendees and digital subscribers of *Chemical Engineering*.

**PRICE: \$3,750**

### PACKAGE DETAILS:

- Pre-show email announcement to pre-registered CHEM SHOW attendees and *Chemical Engineering* digital subscribers
- Video interview in your booth
- Post production video file for unlimited use
- Video hosted on *Chemical Engineering* website
- Post-show email announcement to all CHEM SHOW attendees and *Chemical Engineering* digital subscribers promoting exhibitor showcase videos
