Increase your advertising
reach in 2015

ACHEMA 2015

JUNE 15-19, 2015
FRANKFURT, GERMANY

ACHEMA is the world forum and leading show for chemical engineering and the process industry. *Chemical Engineering* is proud to partner with ACHEMA 2015 and provide comprehensive coverage before, during and after the event. Additional advertising opportunities are available to increase your exposure to this audience:

- » Europe Special Section (March Issue)
- » Show Preview (May and June Issues)
- » Show Review Issue (August Issue)
- » E-newsletter Sponsorships
- » Show Daily, the official daily newspaper at ACHEMA (digital and print)
- » Online banner advertising on chemengonline.com

Your advertisement will be showcased to an international network of experts and executives. ACHEMA is the innovation platform and technology summit of the industry.

ORGANIZER:

NOVEMBER 17-19, 2015
NEW YORK, NEW YORK

As an advertiser in the October issue, you will receive an increased reach to CPI professionals at the 2015 CHEM SHOW. *Chemical Engineering's* October issue will be distributed in all of the conference delegate attendee bags and distributed on the exhibit floor from the *Chemical Engineering* booth.

Chemical Engineering is proud to serve as an official media partner of the CHEM SHOW. All exhibitors are eligible to participate in the sponsorship and advertising opportunities below. Enhance your presence during the 2015 event to reach these decision makers.

As an exhibitor at the 2015 CHEM SHOW, you have an opportunity to participate in several bellwether sponsorship packages: Platinum, Gold and Silver. This includes such opportunities as:

- » Attendee bags
- » Keynote Speaker Address
- » Kirkpatrick Award Ceremony
- » Lanyards
- » *And many additional marketing opportunities are a part of these sponsorship packages!*

INDUSTRY PARTNER

Chemical Engineering is proud to partner with the Fluid Sealing Association® (FSA) as an official Affiliate Member. FSA is an international trade association. Member companies are involved in the production and marketing of a wide range of fluid sealing devices primarily targeted to the industrial market. FSA membership includes a number of companies in Europe and Central and South America, and most heavily concentrated in North America. FSA members account for a majority of the manufacturing capacity for fluid sealing devices in the Americas market.
